

THE CITY OF TITUSVILLE, PA JUNIOR COUNCIL MEMBER PROGRAM

The Junior Council Member Program is an outstanding opportunity to get the youth of the City of Titusville, PA, and surrounding municipalities to participate in the governing process of his/her community.

Titusville City Council believes that the outreach of both the community to the youth and the youth to the community is the start of building our City toward a better future.

While a Junior Council Member does not have an official vote on council, he/she does have a voice and an official seat at the table. It is a mutually beneficial relationship for both city officials and the Junior Council Member. It allows city officials to serve as mentors to students who will be future leaders in their communities.

Therefore, Titusville City Council is looking for 11th and 12th grade students in the Titusville Area School District who would be interested in becoming a Junior Council Member. This position would afford juniors and seniors the opportunity to become acquainted with how local government works, and to give the youth of our community the chance to provide input on issues currently facing the city government.
